

2025-2028 TIP Amendment: Vision Zero Pedestrian and Bicycle Count Program

Technical Committee

November 6, 2024

Vision Zero Pedestrian and Bicycle Count Program

TIP Amendment Purpose:

- Anne Arundel County is establishing a counting program for pedestrians and bicyclists.
- Anne Arundel County adopted Vision Zero by Executive Order in 2022.
- To implement the action plan, the County is purchasing permanent and portable units to count pedestrians and bicyclists at intersections where trails cross roads with higher volumes of vehicular traffic.
- The counters can also be used to identify changes in volumes of pedestrian and bicycle use after a facility has been installed to determine if countermeasures are necessary to prevent crashes involving pedestrians and bicyclists.

Vision Zero Pedestrian and Bicycle Count Program

Scope:

- \$75,000 Total
 - (\$67,500 Federal, \$7,500 Local Match)
- Purchase Permanent Counters
- Purchase Portable Counters
- County will install and maintain

Vision Zero Pedestrian and Bicycle Count Program

Locations:

- Permanent - Key Trail Crossings (B&A Trail at Robinson Road, WB&A Trail at Piney Orchard Parkway, etc.)
- Portable – Pre & Post Construction, Areas of Concern

Vision Zero Pedestrian and Bicycle Count Program
