I understand that I must submit the SBE/MBE documentation described in the bid documents at the time of bid. Furthermore, I understand that failure to comply with this contract requirement may result in a determination that my bid is non-responsive and therefore would not be awarded to me.

I understand and agree that, if awarded the contract, we will implement the provisions of the above paragraph with respect to subcontracts to be let after the award of the contract, but that such subcontracts will not be let until the Board of Education has reviewed and approved the SBE/MBE submittals.

APPLICANT SCREENING AFFIDAVIT

I, (print name) _____ possess the legal authority to make this affidavit on behalf of (print company name) _____.

Effective July 1, 2019, Maryland Law requires contractors to screen all applicants for a position involving direct/routine contact with minors as defined in Section 6-113.2 of the Education Article, Maryland Annotated Code ("statute").

Screening requires the applicant to submit to the contractor the following:

1. Contact information of:
 - a. The current employer
 - b. All former school employers; and
 - c. All former employers of the applicant in which the applicant was employed in a position involving direct/routine contact with minors.
2. Written consent form signed by the applicant to release all records relating to child sexual abuse or sexual misconduct.
3. A written statement of whether the applicant:
 - a. Has been the subject of a child sexual abuse or sexual misconduct investigation by any employer, arbitrator, county board, state licensing agency, law enforcement agency, or child protective services agency, unless the investigation resulted in any of the findings listed in Section 6-113.2(B)(3)(i)(1-5), of the statute.
 - b. Has ever been disciplined, discharged, nonrenewed or asked to resign from employment, or has ever resigned from, or otherwise separated from, any employment while allegations of child sexual abuse or sexual misconduct were pending or were under investigation, or due to an adjudication or findings of child sexual abuse or sexual misconduct; or
 - c. Has ever had a license. Professional license or certificate suspended, surrendered, or revoked while allegations of child sexual abuse or sexual misconduct were pending, or under investigation, or due to an adjudication or findings of child sexual abuse or sexual misconduct.

Before hiring an applicant for a position involving direct/routine contact with minors, the Contractor shall:

1. Review an applicant's employment history by contacting employers listed by the applicant and requesting dates of employment and answers to questions regarding child sexual abuse or sexual misconduct required by the statute; and
2. Request a report from the Maryland Department of Education regarding the applicant's eligibility for employment or certification status to determine whether the applicant
 - a. Holds a valid and active certification appropriate for the position and is otherwise eligible for employment; and
 - b. Has been the subject of professional discipline related to child sexual abuse or sexual misconduct.

If the information from an applicant’s employer includes an affirmative response to the child sexual abuse or sexual misconduct questions, and the Contractor wants to further consider the applicant for employment, the Contractor shall request additional information from the employer including records related to the child sexual abuse or sexual misconduct.

Contractor shall conduct the employment history review of the applicant:

1. At the time of initial firing of the employee; or
2. Before the employee is assigned to work for the school entity in a position involving direct/routine contact with minors.

Contractor shall maintain a record of each employee’s employment history review required by the statute; and provide to BCPS access to the employee’s records upon request.

Before assigning an employee to perform work for BCPS in a position involving direct/routine contact with minors, Contractor shall provide notice to BCPS of any affirmative responses to the child sexual abuse or sexual misconduct questions required by the statute.

Contractor may not assign an employee to perform work for BCPS in a position involving direct/routine contact with minors if BCPS objects to the assignment after receiving notice required by the statute.

Notwithstanding any other remedies available under the Contract, Contractor may be subject to disciplinary action by the Maryland State Department of Education for willful violations of the statute.

I FURTHER AFFIRM THAT:

SMALL AND MINORITY BUSINESS ENTERPRISE UTILIZATION AFFIDAVIT

The undersigned as a contractor does hereby make the following Affidavit. I acknowledge the Small Business Enterprise (SBE) and Certified Minority Business Enterprise (MBE) participation goal of (15%) percent for the contract with the Baltimore County Board of Education, and commit to make a good faith effort to achieve this goal. In the solicitation of subcontract quotations or offerors, all SBE and MBE subcontractors and suppliers were provided not less than the same information and amount of time to respond to the solicitations as non-Small Business Enterprise and Minority Business Enterprise subcontractors.

The solicitation process was conducted in such a manner so as to otherwise not place SBE and MBE subcontractors at a competitive disadvantage to non- SBE and MBE subcontractors.

I UNDERSTAND THAT THE FAILURE TO SUBMIT THIS AFFIDAVIT TO THE BOARD OF EDUCATION MAY RESULT IN A DETERMINATION THAT THIS BID IS NON-RESPONSIVE.

I understand that I must submit the SBE/MBE documentation described in the bid documents at the time of bid. Furthermore, I understand that failure to comply with this contract requirement may result in a determination that my bid is non-responsive and therefore would not be awarded to me.

I understand and agree that, if awarded the contract, we will implement the provisions of the above paragraph with respect to subcontracts to be let after the award of the contract, but that such subcontracts will not be let until the Board of Education has reviewed and approved the SBE/MBE submittals.

I understand and agree that, if awarded the contract, I will and do hereby authorize representatives of the Baltimore County Board of Education to examine, from time to time, the books, records and files of this organization to the extent that such data relates and pertains to the affirmative action pursuant to this contract.

I do solemnly declare and affirm under the penalty of perjury that the contents of the foregoing document are true and correct to the best of my knowledge, information, and belief.

To All Vendors:

This letter is to remind you of your responsibility to comply with Section 11-722 of the Criminal Procedures Article, Annotated Code of Maryland, regarding sex offenders, and asking you for a letter of assurance that your work force is in compliance with the law. Thank you in advance for sending the information as requested.

Effective July 1, 2015, amendments to §6-113 of the Education Article of the Maryland Code further require that a vendor or subcontractor for a local school system may not knowingly assign an employee to work on school premises with direct, unsupervised and uncontrolled access to children, if the employee has been convicted of, or pled guilty or nolo contendere to, a crime involving:

- a) A sexual offense in the third or fourth degree under §3-307 or §3-308 of the Criminal Law Article of the Maryland Code or an offense under the laws of another state that would constitute an offense under §3-307 or §3-308 of the Criminal Law Article if committed in Maryland;
- b) Child sexual abuse under §3-602 of the Criminal Law Article, or an offense under the laws of another state that would constitute child sexual abuse under §3-602 of the Criminal Law Article if committed in Maryland; or
- 23) A crime of violence as defined in §14-101 of the Criminal Law Article, or an offense under the laws of another state that would be a violation of §14-101 of the Criminal Law Article if committed in Maryland, including: 1) abduction; 2) arson in the first degree; 3) kidnapping; 4) manslaughter, except involuntary manslaughter; 5) mayhem; 6) maiming; 7) murder; 8) rape; 9) robbery; 10) carjacking; 11) armed carjacking; 12) sexual offense in the first degree 13) sexual offense in the second degree; 14) use of a handgun in the commission of a felony or other crime of violence; 15) child abuse in the first degree; 16) sexual abuse of a minor; 17) an attempt to commit any of the crimes described in items 1 through 16 of this list; 18) continuing course of conduct with a child under §3-315 of the Criminal Law Article; 19) assault in the first degree; 20) assault with intent to murder; 21) assault with intent to rape; 22) assault with intent to rob; assault with intent to commit a sexual offense in the first degree; and 24) assault with intent to commit a sexual offense in the second degree. In addition to the above, Baltimore County Public Schools considers the following felony crimes as permanent barriers: 1) burglary first degree; and 2) burglary second degree.

The amendments to §5-561 of the Family Law Article of the Maryland Code mandate that each vendor and subcontractor shall require that any individuals in its work-force must undergo a criminal, fingerprint-based, background check if the individuals will work at a Baltimore County Public Schools (BCPS) property. The term “work-force” refers to all of the vendor’s employees that the contractor uses to perform the work required by the contract. Prior to undergoing a criminal, fingerprint-based background check, any individual potentially being sent to work on BCPS property, should be made aware of the criminal history in §6-113 of the Education Article of the Maryland Code which would prohibit the employee from working on BCPS property. If an employee has criminal history as described in the Maryland Code, they may not work on BCPS property and should not be sent for fingerprinting.

These requirements have be incorporated into all BCPS procurement bids and requests for proposals. These requirements will apply to all BCPS vendors working on BCPS property.

All individuals in your work-force who meet these criteria are required to be fingerprinted for BCPS at CJIS-Central Repository located at 6776 Reisterstown Road, Suite 102, Baltimore Maryland 21215 or at one of the approved private providers, which can be found at: <https://www.dpscs.state.md.us/publicservs/fingerprint.shtml>. The vendor’s employees will need to request to be fingerprinted for “childcare” and use the code 9000017493. The vendor will provide to BCPS (within 10 business days of fingerprinting), a copy of the Response Form for Required Criminal Background Checks which lists the names of any individuals in the contractor’s work-force who have been fingerprinted to Baltimore County Public Schools, Office of Investigations and Records Management, 6901 N. Charles Street, Building B, Towson, Maryland 21204, or fax to 410-296-2158. A contractor’s employee may not begin to work until final clearance by BCPS. BCPS will issue fingerprint clearance cards, which will be sent to the vendor for distribution to the vendor’s employees. If after review of the criminal history reports BCPS determines that the vendor’s employees are ineligible to work on BCPS property as a result of criminal history, the vendor will be notified by BCPS. BCPS may, at its discretion, deny a member of the vendor’s workforce for criminal history as set forth in §6-113 of the Education Article of the Maryland Code, as well as for habitual or recent criminal activity, pending criminal charges or probation that has not yet been fully satisfied.

Thank you for understanding why this requirement is so critical to the safety of all of our students.

Sincerely,

Melanie L. Webster

NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification¹ that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.²
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.³

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.⁴

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)

Additional Information: The requesting agency and/or the agency conducting the application-investigation will provide you additional information pertinent to the specific circumstances of this application, which may include identification of other authorities, purposes, uses, and consequences of not providing requested information. In addition, any such agency in the Federal Executive Branch has also published notice in the Federal Register describing any systems(s) of records in which that agency may also maintain your records, including the authorities, purposes, and routine uses for the system(s).
